J. Bradley Kennedy, Chairman Emeritus, BOMI International

Brad became a member of the Board of Trustees in June of 1993. His commitment and loyalty to the development of continuing education in the field of Property Management remained steadfast throughout his later years.

Over the years, Brad was instrumental in fundraising efforts on behalf of BOMI International and was readily available as a respected resource, confidant to the Board, and personal friend.

In recognition of his commitment to BOMI International, Brad was named Chairman Emeritus in 2010.

cont'd

Brad not only gave of his time, but was generous in his financial gifts to BOMI International because he believed in the organization's endeavors.

Employees at BOMI International would look forward to the roses that Brad would bring in as a token of his appreciation for the work being done. It was a tradition that became synonymous with the man.

BOMI International Board Roles

- Nominating Committee
- Fundraising Committee
- Finance/Investment Committee
- Secretary/Treasurer
- Curriculum Advisory Committee
- Audit Committee
- Business Intelligence Committee
- Academia Task Force
- Vice Chairman of the Board

Brad Kennedy's Legacy to BOMI International

Brad's commitment to BOMI International over the years has helped shape BOMI International into what it is today and will continue to guide us forward as we work to enhance our reputation as the premier international provider of educational products and services to the property and facility management industry.

Remembering Brad

It is fitting that we honor Brad by establishing the J. Bradley Kennedy Scholarship to strengthen the workforce and help assure that property and facility management professionals have access to higher education in order to advance their careers.
