BOMI INTERNATIONAL COURSES NEAR YOU

Our Partners: BOMA Locals

With strong roots as a spinoff from the Building Owners and Managers Association (BOMA), we maintain a close, symbiotic relationship with BOMA Local organizations across the United States. Each year, Locals sponsor classes using BOMI International coursework—which is applicable to BOMI International certificate and designation programs.

Please note schedules and fees for BOMI International courses sponsored by BOMA Locals may vary.

Call [800.235.2664](tel:800.235.2664) now to learn more about BOMI International courses near you.

WHO WE ARE

BOMI International was founded in 1970 as a non-profit, independent educational institute to fulfill the need for a higher level of training and expertise in the property and facility management profession.

WHAT WE DO

We teach the skills property and facility managers need to reduce expenses and liabilities, maintain high-performance sustainable environments, and increase overall operational and financial efficiencies.
