BOMI International Exams: General Information

BOMI International course level exams are offered in our online learning portal, BOMI Learning (www.bomilearning.org) via computer- based testing options, to be completed on an individual basis at the learner's convenience. During the testing process, exam questions and answer options are displayed on screen and are automatically logged and scored. The exam allows answers to be changed. All unanswered questions will be marked incorrect when the exam time period (ninety minutes for BOMI International course level exams) expires. Exams will be scored once learners have completed them. Results will be displayed on the screen at the conclusion of the exam.

Examinees will also be required to review and sign an NDA for exam participation (see Appendix 2).

Test Security

To protect the integrity of the BOMI International designation and certificate program brand, specific measures are enforced during the administration of all BOMI International exams. Prior to taking any BOMI International exam, learners will be required to accept a [Non-Disclosure Agreement](#), which prohibits any disclosure of exam content. Failure to accept the terms of this agreement will prevent learners from moving forward in the testing process.

- Test questions and answers are the exclusive property of BOMI International.
- The exam and the items (questions and answers) are protected by copyright law. The exam may not be copied or reproduced in part or in whole, by any means whatsoever, including memorization.
- Future discussion or disclosure of the content of the exam, orally or in writing, or by any other means, is prohibited.
- Theft or attempted theft of exam items is punishable to the fullest extent of the law.

Scheduling the Exam

Eligibility Period

The standard BOMI International exam eligibility is six months. Failure to schedule/take the exam within the specified eligibility period requires enrollment in a new eligibility period with an associated Exam Administration Fee.

Fees

The exam registration fee covers the costs of test administration and staffing, exam development, review, production, scoring, and delivery. BOMI International accepts check, credit card, and Purchase Order as valid methods of payment. If your eligibility period expires prior to your taking the exam, payment of an Exam Administration Fee for an additional eligibility period is required.

	Exam Administration Fee:
US	\$150 (USD)
Canada	\$190 (CND)
International (incl. Bermuda)	\$200 (CND)

Testing Accommodations

BOMI International is committed to offering the best possible testing experience to all candidates. Learners who have a documented disability that would prevent them from taking a BOMI International exam under standard conditions via the BOMI Learning portal may request a reasonable accommodation as required by law. Reasonable accommodations are granted to ensure everyone has the opportunity to test without providing any unfair advantage to one candidate versus another. Accommodation requests are considered on a case-by-case basis.

Learners with special accommodations will be required to take their course level exams at a Pearson VUE testing center.

Pearson VUE complies with the provisions of the Americans with Disabilities Act (ADA). Under the ADA, entities that administer standardized exams must offer the exams in a place and manner that is accessible to learners with disabilities. This may require reasonable modifications to the manner in which the test is administered. Pearson VUE will provide auxiliary aids and services, except where it may fundamentally alter the exams or results. Standard accommodations available include, but are not limited to, the following:

- Extended testing time
- Separate room
- Reader and separate room

Special Accommodations Submittal Process

Learners must request a special accommodation for a BOMI International exam at the time of Course Registration. The request must be written and supported by corresponding documentation from a health care provider documenting the disability and the need for accommodation. The documentation must include the following information:

- Diagnosis and nature of the disability
- Name of tests used to evaluate the condition
- Length of the condition
- Date the learner was last seen by a health care provider
- Specific suggested accommodation(s)

There is no additional charge for special accommodations. Each request will be evaluated individually within thirty (30) days of submittal. All documentation must be submitted before BOMI International staff can review the request. Once a request has been reviewed, an e-mail will be sent to the learner outlining the approved accommodation(s) and the Pearson VUE scheduling instructions. Accommodations for pre-existing exam appointments will require cancellation and rescheduling with the accommodation. In-person testing centers offer the most opportunity for accommodations.

Testing in a Foreign Language

BOMI International offers the majority of its exams in English. In the interest of exam security, translators are not permitted. However, learners are allowed to bring a direct word-to-word translation dictionary into the testing room, as long as the dictionary does not provide definitions to words. The proctor will inspect the pages of the dictionary to make sure there are no writing/notes on the pages before and after the exam session. No loose pages are permitted inside the dictionary. No electronic translation dictionaries are allowed.

Taking the Exam

Online Exam Preparation

A BOMI International exam experience is comprised of randomly delivered multiple-choice questions that must be completed within a ninety-minute window. Total seat time for the exam session will be approximately two hours (2:00) with 30 minutes to allow for the acceptance of BOMI International's Non-Disclosure Agreement (NDA) (see Appendix 2) and Code of Professional Ethics and Conduct. The NDA and Code of Ethics must be read and accepted for access to the exam. Non-acceptance will result in being unable to move forward to the exam.

Testing Policies & Procedures

BOMI International exams are designed to measure learners' knowledge, skills, and abilities against curricula and professional expectations for various commercial real estate roles. All curricula and assessment content are thoroughly vetted by industry subject matter experts.

Exam experiences are to be completed independently. Calculators may be used as necessary.

Exam Results Management

- Scoring is completed automatically via the BOMI Learning portal.
- A passing score will be applied as credit toward program achievement for the enrolled designation or certificate.
- A failing score is not acceptable for credit and requires the learner to retake the exam to achieve a passing grade towards credential achievement. An Exam Administration Fee will be applied to all exam retakes for individuals not meeting the criteria noted above for credential or course credit.
- Official statistics regarding the BOMI International designation and certificate exams, including all item performance data, individual data, and demographic data, will be considered confidential unless a release is provided by an individual learner for employer or other use.
- BOMI International recognizes learners' rights to control personal information, and our policy is designed to safeguard this information from unauthorized disclosure. To protect learners' rights to control score distribution, exam scores are released only to the test taker and authorized BOMI International staff, unless the exam candidate grants permission to others.

Exam Content Comments/Feedback

Following completion of the exam, learners may submit, in writing, comments on any question(s) they believe to contain technical errors in content. In their correspondence to BOMI International, learners should include their contact information, test date, and the specific concerns about the question. Learners are not allowed to copy the question before leaving the test center and are not expected to recreate the entire question in their correspondence. BOMI International will review the question and will notify the learner of the findings. Because of the need for test security, BOMI International will not release exam questions or answers to learners.

It is BOMI International's policy not to respond to complaints or challenges received more than ten

(10) days after the test date. In addition, BOMI International will only respond to complaints sent directly to BOMI International.

BOMI International provides this process for learners who believe an exam question contains technical errors in content. The exam challenge process is not made available for complaints about failing scores or exam difficulty. BOMI International does not provide individual feedback on learner performance. BOMI International does not change exam scores.

Overall exam performance across candidates is monitored on a regular basis using established psychometric standards and practices for validation.
